

18th Annual Women's Christmas Celebration
Friday, November 19, 2021 at 7:00 pm

Thank you all for volunteering, or agreeing, to hostess a table for this special occasion. This night is a beautiful event that is very meaningful to all, and you hostesses are the ones who deserve the credit. We pray that lives will be enriched again by this special occasion. There are some guidelines to help you.

- Pray about the evening and the guests that will be attending.
- Invite neighbors and un-churched. You may want to have a mixture of folks you know and folks you don't know.
- Decorate your table. Provide a centerpiece, dishes, flatware, napkins, dish for packs of butter, mint dish if you're providing mints, salt & pepper shakers, cream/sugar containers, coffee cups, water and/or tea glasses. We'll provide liquid creamer, packets of sugar, and Sweet and Low. There are 90" round black tablecloths available at the church. They must be checked out from the office and returned cleaned.
- **Set up Thursday evening or Friday. Everyone must be set up no later than 4:00 pm on Friday.**
- Remember that the men of the church will serve us for the evening. If you have someone that you'd like to serve your table, please contact Mike Sherrill. If not, a server will be assigned to your table.
- Bring your things in a laundry basket or plastic tub (place table number card) – the dishes will not be washed but will be collected and rinsed and put back in your basket – you will be responsible for cleaning up your table. This really goes smoothly. Usually the people at your table will offer to help with clean up.
- We'll give you **two table number cards**. Mark your basket with one **table number card** and display the other table number card on your table
- You will have room for 7 guests at your table. You are not responsible for filling your table. However, if you have people that you want to sit with you, please go ahead and purchase those tickets for your table by the **1st day of ticket sales, Sunday, 10/17/21**. If not, we will seat guests at your table. We will give people the option of requesting your table, and will do our best to accommodate their requests as space allows.
- You may wish to use place cards on your table. Please make sure this is done by 5:00pm Friday afternoon. You may also want to provide a small favor for your guests.
- We will have special music and/or a guest speaker. You are guaranteed to have a wonderful, spirit-filled evening!!!
- Thank you again so much for being a hostess. If you have any questions about your role as a hostess, call or e-mail:
